

Our Vision - To build on our sound reputation, strong relationships and accessibility across the communities we serve, thereby leading to solid lending performances, and the creation of a successful local economy with opportunities that are models for rural Ontario.

Our Mission - To lead, grow and support our communities through sustainable economic development and job creation.

About Us

South Lake Futures is a not-for-profit, federally funded Business and Economic Development organization delivering the Community Futures Program and community economic development in the towns of East Gwillimbury, Georgina and the Township of Brock.

The Community Futures Program is a national, rural community, economic development initiative. Community Futures Development Corporations (CFDC) provide Business Loans and non-repayable funding to small and medium sized enterprises. They also provide Business Development and Counselling Sessions and Business Seminars and Workshops. CFDCs work with local businesses, not for profits, municipalities and first nations as well as provincial, regional governments on a wide variety of community economic capacity development initiatives.

With the support of the Government of Canada through the Federal Economic Development Agency for Southern Ontario.
